- Town Hall will be closed Monday, February 21st in observance of Presidents' Day.

New Mayor & Council

Congratulations to our new mayor, Frankie Dale Rife, and our two new councilwomen, Jacqueline Stokes and Tracy Greenwood.

Wyoming had a mayoral seat to fill and had just one letter of intent. We had two council seats to fill and received just two letters of intent for them. For this reason we do not need to have an election.

Ms. Rife, Ms. Stokes and Ms. Greenwood will be sworn in at the May 2, 2011 Council Meeting.

Sidewalks

The Town of Wyoming as well as the Camden Wyoming Post Office would like to thank residents for the great job you did clearing your steps and sidewalks during the recent snow storms we have had. Most of you took care of this matter in a very timely manner. For those few who did not, we ask that you please try to get your walks cleared within the required 48 hours after snowfall has ended. This makes it possible for your mail to be delivered as well as making our town walkable after snows for children and adults as well. Thank you all for your compliance.

Remember if you are elderly or infirm and need assistance with clearing your walks and/or driveways, please call Town Hall at 697-2966. We have a list of several residents who are willing to help out.

Contact Information for Current & New Council Members

 Phone: 302-697-6098

On May 2, 2011 Harold Arnold and Georganne Wagner will no longer be on Council, and Dale Rife and Tracy Greenwood will replace them.

WORD FROM WYOMING

New Website

The Town of Wyoming is proud to announce that we are opening up a new website for the Town. We have had the opportunity to do this through the State of Delaware. They have set the website up for us and are training Pam and Nicole on how to maintain it. All additions and deletions to the website will be handled in house, no longer needing the services of an outside contractor. This is all at no cost to the Town of Wyoming.

We are thrilled with the new look of the website and hope that it will be more user friendly for our residents as well as more consistently up to date. Please check it out for yourselves at your earliest convenience. Our new web address is wyoming.delaware.gov; however, if you type in town-of-wyoming.com as you did before, it will still direct you to the new website.

If anyone has any ideas to add to the new site, please call Town Hall (302-697-2966) with your ideas. We will see what we can do to accommodate you.

Thank You Tiffany

A huge thank you goes out to Tiffany Rife for her many years as webmaster for the Town of Wyoming website. Tiffany is responsible for getting the Town website up and running several years ago and has maintained it for us including a make over in the look a year or two ago.

Thank you, Tiffany, for your many hours of service and a job well done!

Sewer & Water Workshop

The Towns of Camden and Wyoming as well as representatives from the CWSWA are having a workshop scheduled for Thursday, February 24, 2011 at the Camden Wyoming Fire Hall at 7:00 p.m. The purpose of the workshop is to allow residents from both towns to ask and hear responses to their questions regarding their services. It is requested that if you have questions, please submit them in writing by mail or drop them off to either the CWSWA Office at 16 S.

Wyoming Police Department

I would like to take this opportunity to thank everyone who attended the Wyoming Police Department Open House on February 1, 2011, and for providing their thoughts about their police department. I feel that the gathering was a big success, and I am going to plan to try to have one every three to four months. This will give all residents a chance to have your voices heard. My goal is to have your police department become more community oriented. Just remember that we are here to serve the residents of Wyoming. If at any time you would like to speak to me, please feel free to contact me either by phone, email or just by stopping in. Remember, without all of us working together the Wyoming Police Department will not be as good as it should be. There is a quote that I like which I feel fits this situation perfectly. "In this age, which believes that there is a short cut to everything, the greatest lesson to be learned is that the most difficult way is, in the long run, the easiest." ~ Henry Miller
