FROM THE DESK OF CHIEF WILLEY

Good day everyone. This month the Wyoming Police Dept. has handled a rape case which resulted in an arrest. We have also had some domestics, suspicious persons and vehicles, accidents and some other minor incidents.

With spring now in full swing you will be seeing more people out riding bikes along with walkers. Please keep an eye out for them.

Just to give everyone a heads up, the state will be closing the bridge (Wyoming Bridge) on Wyoming Mill Road this summer to replace the bridge. It is scheduled to be closed most of the summer. There is a map in Town Hall showing the detour route for anyone who would like to stop in and take a look at it.

The Wyoming Police Dept. will be having an Informational Session on Monday, May 20, 2013 at 7 PM. This will be held in the Town Annex at 10 S. Railroad Avenue. Everyone is invited. If you are unable to attend, you may call or e-mail me with any question, concerns or comments that you would like to express. I look forward to seeing everyone there.

I would like to leave you with this quote. "Leadership is solving problems. The day soldiers stop bringing you their problems is the day you have stopped leading them. They have either lost confidence that you can help or concluded you do not care. Either case is a failure of leadership."
