

Wyoming Police Department Michael L. Brown Scholarship

Pfc. Michael Brown was employed by the Wyoming Police Department for 22 months. During his time with the police department he distinguished himself as not only an outstanding police officer, but an outstanding young man.

Mike had a passion for and an outlook on life not found in many young men today. He knew his place in society and had a keen knack for people. Mike could fit in with any group, young or old. His untimely death was a tragic loss to the Town of Wyoming, the Wyoming Police Department, and the State of Delaware as well as his family. He is missed by many.

Mike was an outstanding baseball player having played in the local area in Little League, high school, and in college in New York. He turned down a tryout with the Atlanta Braves to pursue a career in law enforcement. Since Mike worked in the Town of Wyoming and the town is served by the Caesar Rodney School District, this scholarship will be limited to a graduating senior from CRHS that played on the baseball or softball team for the school.

This is a \$500.00 scholarship. To be eligible, a student must have been accepted into a 2 year or a 4 year college program and must have played on the school's baseball or softball team. The student is *not* required to play baseball or softball while at college.

To apply for the scholarship, a student can print out the attached application form or pick one up from Wyoming Town Hall or the Caesar Rodney High School Guidance Department. A completed application consists of the following:

- The completed application form
- A copy of an acceptance letter to a 2 or 4 year college program
- Two letters of recommendation from teachers at C.R. High School
- A letter written by the student as to why they should receive the Scholarship

Applications may be picked up and returned to Wyoming Town Hall, 1 N. Railroad Ave. no later than Monday, April 30, 2012.

Incomplete forms may be disqualified by the committee. The committee will consist of the following members:

- One member of the Wyoming Police Department
- The Mayor or one member of the Town Council appointed by the Mayor
- One member at large appointed by the Town Council

All decisions of the committee will be final.

Respectfully,
Chief Martin Willey
Wyoming Police Department

**Wyoming Police Department
Michael L. Brown \$500 Scholarship
Application**

Please complete this application in its entirety and return to Wyoming Town Hall on or before Monday, April 30, 2012. This application form shall be enclosed with the remaining required information. Questions may be directed to Chief Martin Willey, Town of Wyoming Police Department, 1 N. Railroad Ave., Wyoming, DE 19934, 302-697-7960.
