Punxsutawney Phil and Snow

The good news is that the famous groundhog, Punxsutawney Phil, did not see his shadow on Feb. 2nd which means that Spring is just around the corner. The bad news is that it's only February so there's a good chance we'll be getting more snow.

Please remember that the Town of Wyoming has a snow ordinance whereby each resident is required to shovel snow off their sidewalk and driveway within 48 hours after the snowfall ends. This ordinance was not enforced during our most recent blizzard, Jonas, because of the enormous accumulation of snow and the mess DelDOT made while plowing our streets. Many residents had to shovel several times because after they shoveled, their areas again were covered with snow by the plows. If any additional snow storms come our way, this ordinance will be enforced so plan to have someone available to help you if you are unable to shovel your sidewalk and driveway.

If there are any residents or children of residents who would like to volunteer to shovel snow for any handicapped or elderly residents, please notify Town Hall so we can add your name to our volunteer list. Most people will give a donation to anyone who helps them. Shoveling snow and helping someone who cannot do so is a good way for your teenager to make some extra money. If you are someone who needs assistance with the removal of snow from your sidewalk or driveway, please contact Town Hall so that we can connect you with a volunteer helper.

Message from Mayor Rife

- **Happy February!** — the month for Groundhog's Day, Valentine's Day, and Presidents' Day.
- The Town of Wyoming is pleased to announce that we have purchased the property at 321 Broad Street, which is located behind the Wyoming Park parking lot. The house will be torn down and a new maintenance building will be built in its place. We have been saving money for the past five years so the town could have a maintenance building that is needed badly. Our dreams and hard work are coming true!
- There will not be a **2016 Election** for the Town Council. There were two open seats and only the two incumbents filed for the positions; specifically, Kyle Dixon and Terry Witt, who will be sworn in at the May Re-organization Meeting. Congratulations to you both.
- The **Wyoming Park** bathrooms are still closed and a port-a-potty is there now. The bathrooms will reopen on Easter Sunday.
- **Camden Wyoming Sewer and Water:** At the January Sewer and Water meeting, Camden appointed a new member to the board. Congratulations and good luck to Daniel Woodall of Camden on your new appointment. The new committee is as follows: Chairperson: Michael Quinn (W); Vice Chair: Daniel Ridgely (C); Board Members: Jeff Connor (W); Larry Dougherty, Sr. (C); James Winchell (W); and Daniel Woodall (C).
- **League of Local Government:** Along with our Town Clerk, Pam Haddick, I attended the Delaware League of Local Government meeting in January regarding the Division of Natural Resources & Environment Control.
- The **Wyoming Police Department** has an opening for a police officer. If you know someone who might be interested, please have them contact the Police Department.
- **Wyoming Peach Festival:** The committee will start meeting again on February 16th. If you're interested in helping, please come and join the committee.

These are just a few of the things that are happening in our peach of a town. Please come and join us at a meeting or call if there is anything we can do for you. As always, thank you for your support. My door is always open, and my phone is available to all the distinguished citizens of the Town of Wyoming. If you have any questions or concerns, please call or e-mail me.

Thank you,
Dale Rife, Mayor

Peach Festival

Do you enjoy attending the Wyoming Peach Festival? Why not join the committee? One of our very special committee members, Lisa Fulcher, who's been extremely active for many years, has moved out of state. We wish her lots of luck and happiness, and will miss her now that the planning is beginning for the next festival. The committee needs help, and we'd like you to join us at our first meeting on Tuesday, February 16th at 7 p.m. at the Wyoming Annex. Hope to see you there!
