Message from Mayor Rife

July: I hope everyone had a wonderful and safe 4th of July. The weather has been so beautiful; I hope you have had the time to enjoy it.

Town of Wyoming: We just closed the end of the fiscal year 2015-2016, and it's looking good for the Town and all its residents. Coming this fall will be a new maintenance building that will be built behind the Wyoming Park parking lot. This was made possible by us watching over every penny of your tax dollars and making the right choices. The employees and our Town Council have been working together to conserve in every possible way. So I want to thank all of the employees and Council members for helping to make this a reality.

Peach Festival: The time is drawing near for the annual peach festival. If you are interested in helping, please call Town Hall and leave a message at 302-697-2966. The Peach Festival Committee's ladies and gentlemen work very hard and can use all the help we can give them. Please come out and have a peach of a time!

Wyoming Fishing Derby: The Fishing Derby was held on Saturday, June 18th at Wyoming Park. This was made possible by Officer Dan Creech. We had over 35 kids attending and fishing. A great time was had by all. Check out the new Facebook page:

Townofwyomingpolicedepartmentfishingderby for all the pictures and prizes. Thank you to PFC Dan Creech. Next year's derby will be held on the third Saturday of June at 9a.m. Please mark the date on your calendars!

Yard Sale: Many of us love to have yard sales during the summer. Please be a good yard sale host and remember to remove your signs wherever you have posted them. We want our town to look great all the time. Thank you for your cooperation on this matter.

And as always, without all of you, this town would not be: "The best little town in Delaware."

Thank you, Mayor Dale Rife

Board of Adjustment

The Town of Wyoming is looking for a new Board of Adjustment member. This board meets only when needed and deals only with variance applications. This is a five member board and currently there are four active members. By becoming a member of this board, you would be getting involved with your town by not having to commit too much of your time. If you'd like to help out your town and are interested in becoming a member of the Board of Adjustment, please call Town Hall at 302-697-2966.

Fishing Poles Needed

If anyone has fishing poles that are in fairly good condition but are no longer used or wanted, please drop them off at Town Hall, 1 N. Railroad Avenue or at the Police Dept., 10 S. Railroad Avenue. Why? Because at this year's Fishing Derby, we had some children who didn't have one and we'd like to have them available.

Landlord Licenses

It has come to our attention that there are unlicensed rental properties in our town. The Town of Wyoming requires anyone who owns a property and rents it to someone to get a Landlord License. We are currently trying to reach all of these unlicensed property owners to get this straightened out. In the future, we ask anyone who is moving out of their Wyoming home but keeping it as a rental property to notify Town Hall so we can make you legal with a Landlord License. The only exception to this is if a family member, who does not pay rent, will be residing in the home. Thank you.

Keep Wyoming Beautiful

Many properties have newspapers laying in their yards, which are unsightly especially when they're wet. If you don't want them, pick them up and throw them away. Also if you live next to a vacant home with papers in their yard, please be a good neighbor and pick them up. Let's keep Wyoming looking beautiful!
