Message from Mayor Rife

Memorial Day: I hope everyone had a safe and happy Memorial Day weekend. As I walked around town, I couldn't help but notice so many wonderful American flags flying high with pride. Thank you for honoring the heroes who help make this country great. We continue to show pride in our country by saying the Pledge of Allegiance to our great flag, by keeping GOD in our country, and by always respecting each other. For those who gave the ultimate sacrifice so that we can have our FREEDOM today, I thank you and your families for sharing them with us. "All gave some, but some gave all." For this, I thank you.

I also couldn't help but notice the home of Bill and Karen Carnival at 27 S. Mechanic Street. Every year this couple has a beautifully decorated yard complete with a display of flags from the various armed services. Truly, their yard is red, white and blue from one end to the other. Thank you for all your hard work on this year's Memorial Day display. If you missed this year's display, check it out next year!

Father's Day: Remember that June 19th is Father's Day, a day to remember your dad on his special day. The best gift is spending time together so make a date to do something special with your dad—he'll love it. Happy Father's Day to my dad, the best dad in the world. I love you!

Town Council: I'm pleased to announce that at the June Council Meeting, Doug Dennison was appointed to the council. I'm looking forward to working with Doug who has served on the Planning & Zoning Committee for the past year.

Wyoming Fishing Derby: Our annual Fishing Derby will be held on June 18th at Wyoming Park. Please come and fish with your children. If you don't have a child, borrow one and come out for all the fun and prizes! Call Town Hall if you have any questions.

Mike Brown Scholarship: This year's winner of the Mike Brown Scholarship was Jeff Gary from Caesar Rodney High School. Congratulations from the Town of Wyoming. We wish you the best of luck.

Peach Festival Committee: The Peach Festival Committee is in full swing planning this year's event. If you'd like to help with this great festival, please come to our next meeting on June 21st. We'd love to have you.

And as always, without all of you, this town would not be
"The best little town in Delaware."

Thank you,
Mayor Dale Rife

From Police Chief Willey

Now that summer is here, there will be more people out and about. When you are driving, please be mindful of the people who are biking, walking and running. Also be mindful that children have a tendency to run out in the road without looking, so please be careful.

When you are having a barbecue or party, please be respectful of your neighbors and keep your music to a tolerable level so that you don't disturb others.

Recently, there has been an increase in thefts from vehicles. Make sure your vehicle doors are locked. By leaving them unlocked, you're providing someone with an opportunity to steal what's inside your vehicle.

Before you go on vacation, stop by Town Hall and fill out a property check form so that we will make routine stops every day at your home to be sure there are not any problems.

On June 2nd and 3rd, the Wyoming Police Department sponsored the W.B. Simpson Elementary School Field Day, and it was a success. We received lots of good comments from the students, parents and teachers. The Wyoming Police Department supplied pizza for the students and trophies for the tug of war. All the officers had a good time participating in this event, and we look forward to sponsoring it again next year.

I would like to leave you with this quote:
