THE PEACH FESTIVAL WAS A HUGE SUCCESS !

Who says small towns can't make BIG things happen? Surely not anyone in Wyoming on August 4th. The Peach Festival was a huge success and despite a little scare with the rain early this morning, it turned out to be a beautiful day! BIG THANK YOU to all our volunteers, vendors, community organizations, local businesses, politicians, media-outlets, law enforcement, and VISITORS (from near and far) who made today possible! We couldn't have done it without your time, efforts, and ongoing support!

Grass Clippings

The Town of Wyoming is very proud of our little town. We like it looking nice as we are sure all of you do as well. Please remember that you must keep your grass under 8 inches high. Also, please be sure to clean up your sidewalks and street of clippings after you mow. The grass gets into the sewer system and causes problems by causing the storm drains to not drain properly.

First day of reading, 'riting, and 'rithmetic is Monday, August 27th.

Keep a lookout for early morning walkers, bicycle riders and buses. Thanks!

Calendar of Events:

- ⇒ **Town Council Meeting,**
Monday, August 13, @6:30 p.m.
- ⇒ **CWSWA Meeting,**
Tuesday, August 14, @7:00 p.m.
@CWSWA Building

Chief Willey Report

Happy Labor Day. It has been a quite month for the Wyoming Police Dept. There has been an increase in domestics over the last several months, fortunately - a decrease in the domestics in Wyoming. We have been getting a lot of complaints where drivers are not yielding to pedestrians in the crosswalk between Camden-Wyoming Market and WSFS Bank. We are also receiving complaints about vehicles at the intersection on W. Camden-Wyoming Ave. and Railroad Ave. passing on the right/shoulder at the stop sign. Since we are receiving so many complaints officers will be sitting in these areas more frequently and enforcing the traffic laws involving these two situations. I was back out last week patrolling on the bicycle around town which I plan on doing at least once a week. I enjoyed talking to several residences while on bike patrol. Since labor day is just around the corner. There will be extra officers on the road performing DUI patrol over the next month. DUI crashes were down in Kent County for the year 2017 from 206 to 178. In Kent County 42% of the DUI crashes occurred between 9pm to 2am. Drivers between the ages of 20 to 44 are most likely to be involved in a DUI crash, but the last couple of years the trend has moved to the older drivers. If you need a ride or even think you need a ride, text "saferide" to 99000 for a list of safe ride options. Just remember 1 person is killed every 50 minutes by a drunk driver. Have a safe and Happy Labor Day. I would like to leave you with this quote.

"Believe in yourself! Have faith in your abilities! Without a humble but reasonable confidence in your own powers you cannot be successful or happy.

Norman Vincent Peale"

Message from Mayor Rife

AUGUST

August is normally a hot month and I do not see this year being any different. I have been told the hot the summer the sweeter the PEACHES. If this is true this year's peaches are as sweet as sugar. But there is, no sweeter peaches than from our very own Fifer Farms.

PEACH FESTIVAL

This is the time of year that our Peach Festival committee makes the Town of Wyoming shine. This year's parade was the largest ever in our history. This year we had nearly 500 walkers, over 40 cars and close to a dozen floats in the parade. I want to thank all of the wonderful people that participated in this year's parade, vendors, politicians, police, fire companies, bands, characters and all the wonderful people. Please come out and join us every year the first Saturday in August.

OPEN DOOR

My door is always open, and my phone is available to all of the citizens of the Town of Wyoming. Please come and join us at a meeting or call if there is anything we can do for you.

And as always: Without all of you this town would not be
"The Best little Town in Delaware"

Thank You
Dale Rife, Mayor
