TO THE CUSTOMERS OF
CAMDEN-WYOMING SEWER & WATER AUTHORITY

FIRE HYDRANT FLOW TESTING

Date: **Friday, May 3, 2019**
Location: **Old North Road**
(across from WB Simpson Elementary)
Time Period: **11:00 AM to 12:00 PM**

The Camden-Wyoming Sewer & Water Authority is advising residents regarding Fire Hydrant Flow Testing that will be taking place on Friday, May 3, 2019 beginning at 11:00 am. This flow testing is required for future development. Testing will be performed between the hours of 11:00 am through 12:00 pm.

This may result in temporary and harmless discoloration of the water and/or fluctuations in water pressure. Should this occur, running a cold water tap for a short period will help to restore water color to normal. To avoid possible discoloration of light-colored clothing, residents may wish to not launder during the time indicated above and for at the next 24 hrs after testing is complete.

We appreciate your understanding and apologize for any inconveniences caused during this time.

Contact the office at 302/697-6372 during regular business hours of 7:30 am – 4:00 pm; Monday through Friday, should you have any further questions.
