-FOR-

WYOMING TOWN COUNCIL

Serving the public is the foundation of my personal and professional life. I have a burning passion for teaching and coaching, and am honored to do both in the community I proudly call home. I am a lifelong resident and have always loved where I am from. Being in education is a joy, but having a personal connection with the families from this area is truly a blessing. It is a privilege to be able to serve the residents of Wyoming.
