Business & Landlord Licenses

All business and landlord licenses expire on September 30, 2020. Letters and renewal applications are being mailed to current business owners and landlords. If you do not receive one or if your address has changed, please contact Town Hall. You can also print the forms needed from the Town's website @ <https://wyoming.delaware.gov/forms/>.

Town of Wyoming Garage Sale

The Town of Wyoming will **NOT** be sponsoring the town wide yard sale this year due to Covid-19. If you choose to hold your own yard sale, please follow the governor's guidelines and wear a face covering and observe proper social distancing. We also ask that you clean up any leftover items and signs after your sale. Be kind to your neighbors and keep the town looking beautiful.

Construction Zone

Starting the first week in September, changes will be taking place at Wyoming Park. The current bathrooms will be demolished, and the construction of new ones will be taking place over the next few months. Additionally, construction of a new pavilion will begin, as will the planting of trees throughout the park. Please be mindful of the construction areas — and please keep your children and pets from playing near those areas until all of the construction has been completed. When all of the changes have been made, probably in the Spring of 2021, we will conduct a celebration event. In the meantime, you can

What is Yard Waste?

Yard waste is grass, grass clippings, bushes, shrubs, and clippings from bushes and shrubs. To discard yard waste, please place any extra leaves and yard clippings in cardboard boxes, paper bags or special yard waste containers that are 50 lbs. or less. Limbs must be less than three inches in diameter. Bundle the limbs and tie in bundles no longer than four feet. You can purchase a 95 gallon yard waste container from Town Hall. It's a one-time purchase and the container is yours to keep.

What is Bulk Waste?

Bulk waste includes items that are typically too large to be disposed of in your regular curbside trash container. To help you get rid of these large items, our town's trash provider makes Bulk Waste pickups every Wednesday. Please place your items on the curb no later than Tuesday evening to ensure pick up. Bulk items typically include:

- ◆ Couches, sofas & chairs: Please leave them assembled.
- ◆ Lamps: Please remove light bulbs.
- ◆ Rugs: Please roll up as it is easier for disposal.
- ◆ Mattresses: Please try to wrap the mattress in plastic for safe and efficient disposal.
- ◆ Large appliances without Freon: These items must have a tag certifying that Freon has been removed; if not, the item will be left behind. Refrigerators and washing machines must have their doors removed.

Interactive Street Trail

The perfect Insta moment! @VisitDelaware will be launching a new interactive street trail early this fall — and the Town of Wyoming is one of the locations! Come see this one-of-a-kind artwork on your next drive through town (at the corner of Camden Wyoming Ave. and Pine St.) Sign up and learn more about the trail at <https://www.delawarediscoveries.com>. #DelawareDiscoveries #VisitDelaware

Question of the Month ?

On September 5, 1774, this organization was called to order for the first time. It was comprised of delegates from all 13 American colonies; it served as the governing body during the American Revolution from 1774 to 1789. What is this organization?

Last month's question and answer: What British film director was born on August 13, 1899 in London? Classics by this director included films such as *The 39 Steps*, *Rear Window*, *The Birds*, and *Psycho*. In addition, there was a US TV series featuring the director's name.

Answer: Alfred Hitchcock

Be in the Know!

In order to keep Wyoming residents safe and informed, the Town of Wyoming has partnered with CivicReady to implement its mass notification solution. The CivicReady solution will allow Wyoming to issue urgent notifications, emergency instructions, warnings, and routine communications to subscribed residents via emails, text messages, and voicemail alerts. In the event of a local emergency, residents subscribed to CivicReady will benefit from immediate, actionable information and instructions sent via your preferred notification channel. For non-English speaking residents, CivicReady voice call notifications can be automatically translated into one of 20 languages, and email and text notifications can be automatically translated into one of 63 languages to maximize the effectiveness of the solution, ensuring mass awareness of potentially impactful situations.

There are several ways to sign up. You can visit <https://wyoming.delaware.gov> to sign up from the home page. You can also download the AlertMe – Regroup mobile app. Residents can register through the CivicReady network first, and then access your app with the same username and password that you used to log into the website. If you register through the AlertMe app, you will need the registration code WyomingDE to complete your registration.

If you have any questions, feel free to call Town Hall at 302-697-2966.
