Town Council Elections

Town Council elections will be held in February 2021, and there are two council seats available, each for a term of two years.

Elections will take place on Saturday, February 27. If you're interested, you can pick up an election packet at Town Hall. Qualifications for council members are as follows: must be 21 years of age by the date of the election, must be a citizen of the State of Delaware, must be a qualified elector, and must be a bona fide domiciliary of the town for a least one year prior to the date of the election (per Ordinance #22-07).

In addition to the election packet, candidates also must supply the town with the results of a criminal background check at the time they submit their application. These checks must be done at the State Bureau of Investigation (DBI), which is located behind the Blue Hen Corporate Center. The results of these checks often take up to four weeks to process, so please contact the DBI as soon as possible. Their number is 302-739-5871.

Your election packet and your DBI results must be filed with the Town of Wyoming by 4:30 p.m. on Friday, January 29, 2021.

Please think about volunteering some of your time to help make decisions for your town. If you have any questions, please don't hesitate to contact Town Hall at 302-697-2966.

May your Holidays be as bright as your Lights!

The Town of Wyoming wants to thank all the residents and businesses that have registered their home or business for our first Annual Holiday Lights Contest.

Starting Saturday, December 5th through Sunday, December 13th, feel free to grab some hot chocolate and hit the roads with your family to see all the beautiful displays around Camden and Wyoming—and don't forget to vote for your favorite!

A printable map can be accessed from our Facebook page or town website. You can access voting online starting December 5th at <https://forms.gle/mY5Jf1QtSCp1bg8c7>. There will be three winners: one from Camden; one from Wyoming; and the best overall from either town. If you need assistance with voting, please contact either Wyoming Town Hall at 302-697-2966 or the Town of Camden at 302-697-2299. The staff will register your vote in the system for you.

Also, we want to thank all of the local businesses who donated for the prize baskets that will be given to our winners:

The Town of Wyoming Needs You!

The Town of Wyoming has openings on the Board of Adjustments and the Planning & Zoning Committee that need to be filled. Get involved in your community and have a say as to the future plans for Wyoming. No experience, no problem — you will learn as you go!

To be a member of the Board of Adjustments, you must live in town. To be a member of the Planning & Zoning Committee, town residents are preferred, but others will be considered.

If you're interested or have more questions, please send a letter of interest to townofwyoming@comcast.net.

Question of the Month

What popular Christmas song was originally written for another holiday?

Last month's question and answer

Veterans' Day has been celebrated on November 11th since 1918. Before President Eisenhower changed the name, what was this day called? Answer: Armistice Day

Let it Snow, Let it Snow!

Now that the cold weather has arrived, there's always a chance that we might have a snowstorm. With that in mind, here is a reminder of the town's ordinance regarding snow.

Wyoming Ordinance #P2-07

states that snow must be removed from public access walkways, pavements, and sidewalks within 48 hours after it has ceased snowing. Let's keep our walkways clear and safe for all residents and visitors.

There are some residents who are elderly, disabled, or for other reasons are unable to remove snow and/or ice from their steps and sidewalks. Any resident who needs assistance or anyone willing to help a neighbor with snow removal, please call Town Hall at 302-697-2966.

Wyoming Park Improvements

If you've been to the Wyoming Park lately, you've noticed there's a lot happening! The park has remained open, and the Town of Wyoming appreciates that everyone is avoiding the construction areas. New trees have been planted throughout the park, and the new pavilion is 90% complete. Once power has been restored to the park, the new electrical improvements will be completed. Also, the new restrooms are taking shape, and hopefully, they'll be completed by the end of this year — however, they will not open until the Spring of 2021. Once all construction is completed, the areas around the construction site will be leveled, and new grass will be planted.

Here are a few photos of the work that's been done thus far:
