Word from Wyoming

Tax Bills

The Wyoming Town Council has approved the 2023-2024 budget without raising property taxes. Expect the arrival of your tax bills around the first week of July. Tax bills are due by September 30, 2023. After that date, they will start accruing interest. If you pay your tax bill by July 31, 2023, you will get an early payment discount of 3% on the property tax portion of your bill based on assessment of your property. If anyone cannot pay their tax bill in full by September 30, please contact Town Hall to set up a monthly payment plan.

Question of the month

Which European nation was said to invent hot dogs?

Last month's answer:

What's the name of the Full Moon that happens during June?

June's Full Moon is known as the Strawberry Moon.

Grass Clipping

Keep your grass clippings out of the roads. Blowing your grass in the road causes blockages in the storm drains and causes flooding during periods of rain.
