## Question of the month

Where do peaches originate from?

Last month's answer:

Which European nation was said to invent hot dogs?

Germany

Town of Wyoming  
120 W. Camden Wyoming Ave  
Wyoming, DE 19934

6-8pm

Wyoming Park

This is a free event!

## Keeping The Town Beautiful

The Town of Wyoming works to keep our town looking beautiful. We want our residents to be proud to live here. We are asking for assistance from all of our residents in the following areas.

- Please do not blow lawn clipping into the roadway. This can cause storm drains to clog and slippery conditions for motorists. With hurricane season upon us, we need to ensure that all storm drains remain clear for proper drainage.
- Keep your sidewalks clear. Trees, bushes and shrubby should not impede out onto your sidewalks. The sidewalk area in front of your home is your responsibility. Upkeep such as clearing weeds and debris keeps the town looking sharp.
- Removing dog waste is important. Property owners do not want your dog waste left on their lawn. If your furry friend has done their business, please be a good neighbor and clean up.
- Put your recycling, yard waste, bulk items and trash out the day before pick up. We don't want items sitting curbside for a week in advance. You can obtain a trash schedule from town hall or from <https://wyoming.delaware.gov/>.

Recycling is every Tuesday.

Yard Waste is every other Tuesday.

Bulk is on Wednesdays.

Trash is on Fridays.

Aug. 26th @ 4PM
