Spring is around the corner!

With warmer weather and longer days coming, it's time most start cleaning up their yards. Every resident should have a yard waste container. If you do not please contact Town Hall at 302-697-2966.

Here is a reminder of what can go in your can: grass, leaves and branches. Dirt is not yard waste but part of your yard.

Branches (no longer than 4ft) should be bundled and tied together. Piles should be no higher than 4ft tall.

Attached to this newsletter is the Wyoming Grass Ordinance. Please note that you are subject to fines if you dispose of your yard waste in a public right of way (road).

Book and Media Collection

The Camden Wyoming Lions Club is collecting used books, cd's and DVD's for their annual used book sale fundraiser in April. Money raised goes to support CR Student Scholarships program.

Donations can be dropped off at the Wyoming Town Hall or arrangements can be made to have them picked up from your home.

Need boxes to fill? Members can drop those off to you too or you can pick up from Wyoming Town Hall.
